

Montana Trooper

Letter to the Editor

We would like to thank everyone for all that was done for us when we tragically lost David. We could not have gotten through planning the services and the week without the help and support of each of you. Thank you to every trooper in the state of Montana. David was proud to put on his uniform each day and call all of you his "family," which you all know was very important to him. Many were a big influ-

ence on him and great teachers whom he looked up to with great respect. Also, a huge thank you to the Association for sending us to Washington, D.C. for national Police Week. We found it to be a great place to meet others who are going through the same events. It is the beginning of the healing process, although nobody ever truly heals from an event like this. We pray for everyone's safety out there on the road.

Please know that our doors are always open, and we welcome all of you to stop in anytime. Again, thank you all so very much for everything.

Hannah DeLaittre,
as well as Brianna Harbolt*

Thanks Montana State Troopers for a job well done!
