MONTANA HOPE PROJECT

Montana Hope Project

Our Mission
Dream Come True

The Montana Hope Project originated from the strong desire of Montana Highway Patrol troopers to be of greater assistance to their communities. Troopers wanted to establish a special service that would create a positive and rewarding impact both for the troopers and for their communities. In 1984, the Association of Montana Highway Patrolmen, now the Association of Montana Troopers, organized the Montana Hope Project. The goal of the Hope Project is to make dreams come true for critically ill children across Montana.

Funds raised by the project have been used to grant wishes to more than 219 of Montana's critically and chronically ill children since 1984. The project granted 21 wishes in 2003, 9 wishes with 11 pending in 2004. The average cost of a wish was \$5,900.

Approximately 90 cents of every dollar raised goes directly toward granting wishes. The Montana Hope Project is NOT affiliated with any national organization and is staffed by volunteers. It is funded entirely by events such as the Ride For Hope 500. The Montana Hope Project is the only wish-granting program that holds an annual reunion for recipients and their immediate families. They attend this event, held each June in Essex, at no cost.

Our Organization

Today, the Montana Hope Project is a separate nonprofit organization funded by charitable contributions and donations. Donations qualify as tax-deductible contributions. The Hope Project does not receive tax or governmental support. The governing board consists of Montana Highway Patrol troopers and community volunteers.

The Montana Hope Project is a success due to the combined efforts of dedicated individuals and organizations who give their generous support. We welcome you to join our efforts to give critically ill children their dreams come true.

To contact, or help, please mail: Montana Hope Project, P.O. Box 5927, Helena, MT 59604 or go to the website at www.montanahope.org
